

LIFESTYLES

# L.G.A. McIntyre's *The Exile* debuts with fables, fantasy and fiends

Starting with a character who has not much more than the dream he woke up from and the clothes on his back, L.G.A. McIntyre marries fable and high fantasy in her first novel, *The Exile*. There's an evil sorcerer ruling, a displaced king, a rebel force and heavy burdens placed on the commoners in the form of a tithe on women.

Into this grey world McIntyre throws her protagonist, hinting at greater things to come, as long as he doesn't get killed along the way. The book starts with a chaotic dream sequence, wherein the hero sees his own execution, which comes into play later in the story, followed by an introduction to the enemy in his lair and the rebel

leader's, one Catrian, plan to get captured in the 'Women's Tithe'. So, it starts off with a bang. It also starts off with too much for a single book to carry without rushing through the details, as McIntyre, following in the footsteps of many a great fantasist, has big plans in the way of a trilogy. You can feel the bones of the greater story unfold

as the novel continues, though the first primarily dwells on the meeting between the rebel leader, a sorcerer in a land where sorcery is forbidden and a mystery man, he of the execution-dream. You see, the mystery man has no memory, only a dream and finds himself drifting near-aimlessly through life until the minions of the

usurper disrupt his life and bring him into the conflict. But trouble dogs the step of the mystery man, to the point that when asked his name he pulls 'Gralyre' out of some depth within his head, only to be told the name is banned Without a past to vouch for him, and a history of the usurper sending in spies hindered by magic,

Gralyre is held in distrust, working for every bit of trust he can get, while the forces of the usurper threaten to tear apart the world he has just arrived in. *The Exile - Lies of Lesser Gods* may be purchased online through Amazon Canada, Kindle, Kobo or check the author's website, www.lgamcintyre.com

# CHURCH DIRECTORY
